Tarwin Lower Primary School
Small School, Big Opportunities

1st February 2024

Dear families, Please note the following:

- **Swimming**

Our swimming program commences next Wednesday. This is for Grades 1 - 6. There will be no cost for families for this activity. We do need families to log onto Compass and complete the permission form for swimming as soon as possible.

There will be Waratah Cluster Swimming Trials on Monday 12th February for those students who qualify and district swimming on Friday 23rd February for selected students.

- **School Photos**

Our annual school photos are booked for Thursday 22nd February. Our photographer has a new way of doing things as you might remember from last year. There is no need to complete an order envelope and send money into school. Every child will be photographed and then you will be sent an email with log in details to enable you to view the photos and order online. The photos will be delivered to school.

- **School Council**

The first School Council meeting for the year will be on Tuesday 20th February. After this meeting we will be calling for volunteers to nominate for School Council for expired positions.

- **Parent Teacher Student Conferences**

Conferences will be held on Monday 19th February. We will notify you when we open Compass up for bookings.

- **Book Club**

The first issue of Book Club for 2024 has been sent home today. Please have your orders completed on LOOP or sent into school with correct money by Friday 9th February.

- **Student Enrolment Information Form**

This form has been sent home today with each student. We require that parents look through and update any information that has changed. This is particularly important if you have change your employment or stopped working. This affects our funding so needs to be as accurate as possible.

- **Hats**

Reminder to all families that we require students to wear a broad-brimmed hat outside at all times during terms 1 & 4. Hats are available for purchase from the office at \$10.00 each.
