Small School, Big Opportunities

12th July 2023

Dear families,

Please note the following:

- Thank you to all the families that attended our Movie Night Fundraisers in the holidays. They were a big success, with families from our school and the broader community enjoying a night out! A big thank you to Vanessa and Sabrina for their efforts putting on the movie nights and to Chris and Kieran for doing the barbecue. The movie nights raised around \$665 for our playground fund.
- **Friday lunches!**  
We are calling for parents who would be interested in volunteering to cook lunch for our students on a Friday during Term 3. If you would like to volunteer for lunches, could you please contact the office and state which Friday of this term you would be able to do. Please note: all volunteers must have a current Working With Children Check. Once we have our volunteers, a menu will be published in the newsletter. A reminder, if students would like to order lunch they must bring their bring their \$7 for by Thursday of each week.
- Finally, we will be holding our Student Led Conferences on the 8<sup>th</sup> of August. The conferences are an opportunity for the students to share with families some of the work that they have done this year that they are most proud of. We hope that all our families can attend to celebrate the achievements of these wonderful students! Bookings will be made live next week, however if you are a family with siblings, please contact the office and we can book you in early so that you get consecutive time-slots. The conferences will run between 1:50 – 5:00 with each conference running for 10 minutes.

We hope all our families had a safe and happy holiday and are feeling refreshed and recharged for Term 3!
