Tarwin Lower Primary School

Small School, Big Opportunities

22nd June 2023

Dear families,

Please note the following:

- We hope you will all support our movie evenings during the school holidays. Many, many thanks to Vanessa for organising this and also a big thank you to the Tarwin Lower Hall Committee who generously donated the hall for the movie evenings.

We need parents to volunteer to assist on the evenings with setting up the hall, cooking sausages, selling tickets & refreshments and cleaning up afterwards. If you can donate a little time, please contact [Vanessa 0434 552 776](tel:0434552776).

- Congratulations to Freya Carbone on her appointment as Acting Principal until the end of the year. Please read the following:

Announcement to the Community

As you are aware our Principal, Jenni Cox, is on leave until at least 1st December 2023. Freya Carbone was appointed to the role of Acting Principal until the end of the term to allow time to conduct a recruitment process for a longer-term replacement. We are pleased to inform you that Freya Carbone was selected through a merit based process to continue as Acting Principal in what was a very competitive process. We would like to thank and congratulate Freya on her appointment and wish her well as Acting Principal of Tarwin Lower PS.

Vanessa Fisher

School Council President

Tarwin Lower PS

Rob Juratowitch

Senior Education Improvement Leader – South Gippsland Network

Department of Education

- Our (very tired!) campers should be returning by 3.30pm tomorrow. If there is any variation to the time we will text families to update them.
- Finally, school finishes tomorrow at 2.20pm (an hour earlier). If you are picking up from school or bus stops, please adjust your times.

We hope all our families have a safe and happy holiday. See you all in Term 3!

Tarwin Lower Primary School
